

## Ocular Therapeutix™ to Participate in the 2018 Glaucoma 360 Meeting in San Francisco

February 8, 2018

BEDFORD, Mass.--(BUSINESS WIRE)--Feb. 8, 2018-- Ocular Therapeutix™, Inc.(NASDAQ: OCUL), a biopharmaceutical company focused on the development, manufacturing and commercialization of innovative therapies for diseases and conditions of the eye, today announced that it will participate in the 7<sup>th</sup> Annual Glaucoma 360 New Horizons Forum being held on Friday, February 9, 2018, at The Palace Hotel, in San Francisco. This meeting presented by Glaucoma Research Foundation brings together key clinical, industry, financial and regulatory leaders in a unique exchange on research innovation and advances in glaucoma treatment. Globally, glaucoma is a leading cause of preventable blindness.

Michael Goldstein, MD, Chief Medical Officer of Ocular Therapeutix, will present on Friday, February 9, 2018 at 1:45 p.m. PST. The title of the presentation will be "Transforming Glaucoma Care with Sustained Therapies," and will focus on Ocular Therapeutix's glaucoma programs and also cover other product candidates in the Company pipeline that use the Company's proprietary hydrogel formulation platform.

Glaucoma 360 was founded by Adrienne Graves, PhD, and Andrew Iwach, MD, who serve on the Glaucoma Research Foundation Board of Directors. Drs. Graves and Iwach also serve as Co-Chairs for the Glaucoma 360 New Horizons Forum.

Dr. Iwach, GRF Board Chair and Executive Director at the Glaucoma Center of San Francisco, said, "Glaucoma 360 is designed to bring greater awareness to unmet medical needs in glaucoma and to highlight current and novel therapies that will help preserve sight for patients with glaucoma."

### About Glaucoma Research Foundation

Founded in 1978 and headquartered in San Francisco, Glaucoma Research Foundation is America's oldest and most experienced nonprofit organization dedicated solely to its mission: to prevent vision loss from glaucoma by investing in innovative research, education and support with the ultimate goal of finding a cure.

### About Ocular Therapeutix, Inc.

Ocular Therapeutix, Inc. is a biopharmaceutical company focused on the development, manufacturing and commercialization of innovative therapies for diseases and conditions of the eye using its proprietary hydrogel-based formulation technology. Ocular Therapeutix's lead product candidate, DEXTENZA™ (dexamethasone insert) 0.4 mg for intracanalicular use, has completed Phase 3 clinical development for the treatment of ocular pain and inflammation following ophthalmic surgery. OTX-TP (travoprost insert) is in Phase 3 clinical development for the reduction of intraocular pressure in patients with glaucoma and ocular hypertension. The Company's earlier stage assets include OTX-TIC, a sustained release travoprost intracameral injection for the reduction in intraocular pressure in patients with glaucoma and ocular hypertension, as well as sustained release intravitreal injections for the treatment of retinal diseases. These injections include the development of OTX-TKI, a tyrosine kinase inhibitor (TKI), and, in collaboration with Regeneron, an extended release protein-based anti-vascular endothelial growth factor (VEGF) trap. Ocular Therapeutix's first product, ReSure® Sealant, is FDA-approved to seal corneal incisions following cataract surgery.

### Forward Looking Statements

Any statements in this press release about future expectations, plans and prospects for the Company, including the development and regulatory status of the Company's product candidates, such as the Company's regulatory submissions for and the timing and conduct of, or implications of results from, clinical trials of DEXTENZA™ for the treatment of post-surgical ocular inflammation and pain, including with respect to manufacturing deficiencies identified by the Food and Drug Administration (FDA), the Company's expectations regarding resubmitting its NDA to the FDA and the prospects for approvability of DEXTENZA for these indications, DEXTENZA for the treatment of allergic conjunctivitis, DEXTENZA for the treatment of dry eye disease and OTX-TP for the treatment of glaucoma and ocular hypertension, the ongoing development of the Company's sustained release hydrogel depot technology, the potential utility of any of the Company's product candidates, potential commercialization of the Company's product candidates, the potential benefits and future operation of the collaboration with Regeneron Pharmaceuticals, including any potential future payments thereunder, the sufficiency of the Company's cash resources and other statements containing the words "anticipate," "believe," "estimate," "expect," "intend," "goal," "may," "might," "plan," "predict," "project," "target," "potential," "will," "would," "could," "should," "continue," and similar expressions, constitute forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors. Such forward-looking statements involve substantial risks and uncertainties that could cause the Company's clinical development programs, future results, performance or achievements to differ significantly from those expressed or implied by the forward-looking statements. Such risks and uncertainties include, among others, those related to the timing and costs involved in commercializing ReSure® Sealant or any product candidate that receives regulatory approval, the initiation and conduct of clinical trials, availability of data from clinical trials and expectations for regulatory submissions and approvals, the Company's scientific approach and general development progress, the availability or commercial potential of the Company's product candidates, the sufficiency of cash resources, the outcome of the Company's ongoing legal proceedings and need for additional financing or other actions and other factors discussed in the "Risk Factors" section contained in the Company's quarterly and annual reports on file with the Securities and Exchange Commission. In addition, the forward-looking statements included in this press release represent the Company's views as of the date of this release. The Company anticipates that subsequent events and developments will cause the Company's views to change. However, while the Company may elect to update these forward-looking statements at some point in the future, the Company specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing the Company's views as of any date subsequent to the date of this release.
