Update on DEXTENZA Unit Sales

Ocular Therapeutix, Inc. (the “Company”) primarily derives product revenues from the sale of DEXTENZA[®] in the United States to a network of authorized specialty distributors, who then resell DEXTENZA to medical centers such as ambulatory surgery centers or hospital outpatient departments. The Company refers to such resales as in-market unit sales.

Although the Company is currently in the process of finalizing its operational and financial results for the three months ended March 31, 2021, the Company reports that in-market unit sales were (i) 4,582 billable inserts sold in January, (ii) 4,901 billable inserts sold in February, and (iii) 7,151 billable inserts sold in March.

The in-market unit sales discussed above are based on preliminary information and management’s estimates as of the date of this Current Report on Form 8-K and are subject to completion of the Company’s customary closing procedures. The Company’s independent registered public accounting firm has not conducted an audit or review of, and does not express an opinion or any other form of assurance with respect to, the figures.

The information in this Current Report on Form 8-K is furnished to comply with Item 2.02 of Form 8-K, and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.
