Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements of Ocular Therapeutix, Inc. (the “Company”) regarding future expectations, plans, and prospects for the Company; statements regarding the timing of the availability of data from the Company’s SOL-1 Phase 3 clinical trial of AXPAXLI (also known as OTX-TKI) for the treatment of wet age-related macular degeneration; statements regarding the timing of the availability of audited financial results; and other statements containing the words “anticipate”, “believe”, “estimate”, “expect”, “intend”, “designed”, “goal”, “may”, “might”, “plan”, “predict”, “project”, “target”, “potential”, “will”, “would”, “could”, “should”, “continue”, and similar expressions, all of which constitute forward-looking statements within the meaning of The Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors. Such forward-looking statements involve substantial risks and uncertainties that could cause the Company’s development programs, future results, performance, or achievements to differ significantly from those expressed or implied by the forward-looking statements. Such risks and uncertainties include, among others, uncertainties regarding the timing, conduct and availability of data from ongoing clinical trials, including the Company’s SOL-1 trial; risks associated with reliance on clinical trial sites and other third parties; uncertainties as to the timing of the completion of the Company’s financial statement close and audit process and other factors discussed in the “Risk Factors” section contained in the Company’s quarterly and annual reports on file with the Securities and Exchange Commission. In addition, the forward-looking statements included in this Current Report on Form 8-K represent the Company’s views as of the date of this Current Report on Form 8-K. The Company anticipates that subsequent events and developments may cause the Company’s views to change. However, while the Company may elect to update these forward-looking statements at some point in the future, the Company specifically disclaims any obligation to do so, whether as a result of new information, future events or otherwise, except as required by law. These forward-looking statements should not be relied upon as representing the Company’s views as of any date subsequent to the date of this Current Report on Form 8-K.

Item 8.01 Other Events.

As the Company prepares for database lock for its SOL-1 Phase 3 clinical trial of AXPAXLI (also known as OTX-TKI) for the treatment of wet age-related macular degeneration, the Company is entering a quiet period beginning December 20, 2025. The Company’s next planned investor communication is expected early February 2026, with the release of its financial results for the fourth quarter and fiscal year ending December 31, 2025. At such time, the Company expects to provide an update on the timing of SOL-1 data, which remain on track for the first quarter of 2026.
